## POWER PLATFORM DEVELOPER

Power Apps · Power Automate · Dataverse · Dynamics 365 · Copilot Studio

## PROFILE

I am a dedicated, detail-oriented **Power Platform Developer** with 4+ years of experience delivering automation and business applications on **Microsoft Power Platform** and **Dynamics 365**. Having grown from finance operations into solution engineering at HEINEKEN, I understand the business processes I automate, not just the technology. I especially enjoy creative work and building completely new solutions, and I am now expanding into AI-powered automation with **Copilot Studio**.

| | | | |
|---|---|---|---|
| **4+** years in automation & Power Platform | **7+** years at HEINEKEN, across 6 roles | up to **50%** less manual effort via Power Automate | **7** Microsoft certifications |
